

Personal Protective Equipment (PPE) Policy

The Management of Rogers Transport is committed to providing all employees with a workplace that is free of hazards. To help with this the wearing of Personal Protective Equipment is mandatory whilst on any Rogers site. Personal Protective Equipment can include your Rogers Transport issued clothing, safety boots, high visibility clothing/vests, safety glasses/Face shield and hearing protection.

The following is the minimum requirement of Personal Protective Equipment to be worn on the Rogers site .Failure to wear the appropriate equipment may result in disciplinary action or vehicles being turned away from site.
